

Field Day

THURSDAY, May 5th, 2022

It is time to get ready for field day. Please see the field day schedule for specific times and events.

Sunscreen

We are hoping the forecast for Thursday is sunny and temperatures in the mid 80's. Please have your child come to school with sunscreen on. A hat would also be a good idea.

Water

We will be taking water breaks during the day, but if your child wants to bring a water bottle to field day, that would be great. It will be their responsibility to keep track of it. A disposable water bottle with their name and their teacher's name on it would be the best option.

Water Games and Clothing

This year I will be adding some water balloon toss to our Field Day. Please dress your student/s in clothes they do not mind getting wet. Flip Flops, sandals, Crocs and spaghetti straps are NOT ALLOWED on field day.

Water Balloon Toss

Attention all 3rd, 4th and 5th grade parents/guardians I am asking for your help. WE NEED WATER BALLOONS!!! Please have your student/s bring at least 10-20 FILLED water balloons to Mr. Norris starting on May 2nd-5th. Please no party balloons, they do not pop as well when tossed.

Invitation to all

We are looking forward to warm weather and a good time. All moms, dads, grandparents, aunts, uncles and community members, are welcome to join us. We hope to see you there!

VOLUNTEERS

We need you in order to make our field day run smoothly. Keep your eyes peeled for a Sign-Up Genius coming next week. The link to the sign up will be sent out via e-mail from your student's teacher. It will also be posted on our Meadow Point webpage under field day.
