November 11, 2024

Dear Parents/Guardians,

Student safety is a top priority in Cherry Creek Public Schools and at Polton Elementary School. We know that being and feeling safe is an important part of being the best learner a child can be and we want all of our students to have the knowledge and language they need to be safe from abuse. We are excited to be able to partner with local experts in the field of child abuse to provide an important learning opportunity for our students.

SungateKids, a nationally accredited Child Advocacy Center, has created a program specific to the prevention of physical and sexual abuse. ***SungateKids SafeKids (SK2)*** was created to teach children how to keep their bodies safe. Children learn about the dynamics of child physical abuse and sexual abuse through the use of puppets in an age-appropriate, interactive, performance-based assembly. This assembly will be offered to 3rd and 5th grade students this year.

We are looking forward to sharing this important program with our students and are eager for you to learn more about it. **PLEASE take 5 minutes to watch this "Parent Information Video"** (<https://www.youtube.com/watch?v=yR50IPWWBTE&t=13s>) and see why we are so excited to welcome SungateKids to our school community!

The assembly schedule is as follows:

November 12th, 2024

3rd grade assembly – 8:30 am

5th grade assembly – 10:30 am

If you have questions or concerns, or if you DO NOT want your child to attend the assembly, please contact your classroom teacher.

Sincerely,

Angie Lore
Principal
