Dear Superintendent Siegfried, Vice President Fisher, and Fellow Cherry Creek Board of Education colleagues,

It is with deepest regret that I am writing to inform you of my decision to resign my Board of Education President and Membership positions, effective immediately.

It became clear to me in these unique times, that the board needed a strong and consistent leadership message moving forward within our community, thus my time in this role on the Board of Education needs to come to a completion.

It has been my absolute honor and privilege being a part of the 69-year history of the Cherry Creek School District in service on the Cherry Creek Board of Education. I am so proud of you and all we have accomplished in the past recent years, and I have no doubt the board will continue these successes in the future.

If I can be of any assistance during the time it will take to fill the position, please don't hesitate to ask. I wish all your future success during your Board of Education tenure and I know you will continue the Vision, Dedicated to Excellence, for all students in the Cherry Creek School District.

Best regards,

David L. Willman
