

INDUSTRY SCHOLAR CAREER CANDIDATE APPLICATION

Name: _____ Students OHS Counselor: _____

Students at Overland High School are afforded unique opportunities to complete a variety of career concentrations stemming across a variety of STEAM pathways and leading Industry fields. To achieve the status of Industry Scholar, a student must complete their chosen Career Concentration Pathway at the top level while maintaining a high GPA in their chosen field.

Please attach to this completed application (3 pages) a printout of your current class schedule and an unofficial copy of your transcript or a copy of your historical grades
(transcripts &/or grades can be obtained from your counselor)

Industry Pathway and Courses:

Use the attached course sheet to determine your career concentration and pathway.

Career Concentration: _____

Pathway: _____

Industry Scholar Graduation Status

In order to earn the Industry Scholar status at graduation, eligible students **must apply** with their counselor during their seventh semester.

Criteria for Career Concentration Completion:

- Meet with counselor to discuss pathway and the four-year plan (MyCap) using the proposed plan of study
- Complete the Career Candidate application
- Successfully complete the top level of their Career Concentration and/or corresponding Internship during junior or senior year
- Have a minimum of a 3.0 unweighted GPA in their Career Concentration

Students who meet these requirements can also earn the Institute of Science and Technology diploma if they meet the additional requirements listed in the Course Registration Guide.

By signing below, I acknowledge that I understand the requirements for earning the Industry Scholar status at graduation.
