Dear Parents/Guardians:

Building a collaborative community is our Vision at Sagebrush. One way we build collaboration is through our Parent / Teacher conferences. **Spring Virtual Parent/Teacher Conferences will be during the week of March 2-5.** Our intention is to provide an opportunity to discuss your child's progress with the teacher. Research shows that the Parent / Teacher partnership makes a positive difference in the academic lives of our children.

Please follow the link to your child's teacher conference schedule and select a single time slot. Please put your child's name as an alternate display name. If you would like any specialized teachers (intervention or Special Ed) invited, please indicate so in the comment section and we will do our best to be sure they are present.

We look forward to collaborating with you during the spring virtual conferences.

Chris Powell
Principal

KINDERGARTEN

Mrs. Erwin
Mr. Garvert
Mrs. Ronyak
