WELCOME FALL!

Wow, can you believe we are 1 week away from Fall Break? Mask wearing, cleaning, and following routines has allowed us to have a successful start. Thank you for all of the support you have provided us this school year to keep all of us safe and allow us to bring our students back to school in a meaningful way. Please make sure your child has a clean mask everyday, and remind them to make sure it covers their nose and mouth.

Thank you to all parents who participated in our parent organizations: PTO, Accountability, and P.A.S.S.. It has been great getting to know you an establishing our goals for the year. It is not too late to join us, watch for upcoming meeting details!

Make sure you are staying connected! Timberline is on Facebook, Instagram, Twitter, and our Timberline phone app. Please sign up to get up to date information about what is happening at school and organizational news.

I wish you a safe, fun, and peaceful Fall Break!
