

Diversity, Equity, and Inclusion/Partnership for Academically Successful Students (P.A.S.S.)

Diversity, Equity, and Inclusion/Partnership for Academically Successful Students (P.A.S.S.) at Cherry Creek High School is a group of parents, teachers, community members, and administrators who partner to ensure that Cherry Creek is an inclusive learning environment for all students. We center our conversations around important topics to support the success of students of color. We isolate race in order to examine achievement, learning, instruction, and school involvement, to eliminate the predictable disparity in achievement. All parents and students are welcome to join in these important conversations.
