

Cherry Creek High School
Summer Assignment for students entering:
Pre-Calculus/Trigonometry

Please have the following worksheets completed and ready to be handed in on the first day of class, Wednesday, August 16, 2023. Make sure you show your work where appropriate. Answers are provided for you to check; however, you will not be given credit if you don't show work on problems that require it. It is expected that you have a good understanding of this material coming into these courses as teachers will not be doing an extensive review of previously learned material.

Have a great summer and we look forward to seeing you in the fall!
