

## **WEEK AT CREEK; Week of August 24-29, 2020**

### **News and Announcements:**

#### **On Campus Reminders**

- \*Students must be wearing a mask at ALL TIMES while on Campus
- \*Students are expected to maintain distance from their peers and teachers while on campus
- \*Students are expected to wash their hands and use hand sanitizer regularly while on campus
- \*Students are not allowed to be on campus from 8:20-3:30 on their non-cohort days

#### **Student IDs**

Student IDs are in production and will be distributed in English classes on August 25 and 27. Students will receive 2 IDs and a lanyard.

#### **Student Schedules**

Please check your student's schedule to see what cohort they have been assigned to by PowerSchool. The letter (A or B) appears just to the right of the student ID number and before the year.

The district tried to group students living at the same address but with different last names into the same cohort – this has caused some confusion because many students simply assume they are in a cohort based on their last names. If you have questions or concerns or believe your student has been assigned to the wrong cohort, please contact the Registrar's Office. We will work with you and can make any adjustments to attendance based on confusion over cohorts.
