News and Announcements:

Ballot Measures 4A & 4B

Thank you to everyone who voted to pass ballot measures 4A and 4B. These funds will allow us to support learning and instruction in our schools.

Remote Learning

Remote learning is new. To view a variety of helpful resources and information, please visit our Remote Learning Resources Webpage. The page includes the schedule, attendance information, tutoring resources, organizational resources and an important technology reminder about district devices.

Remote Learning Attendance Reminders

Attendance procedure updates for Remote Learning:

1. All school learning is synchronized remote.
2. If your student is unable to attend synchronous learning, please notify the CCHS Attendance Office at 720-554-2242 to excuse your student.
3. Teachers will be tracking tardies, and parents/guardians will be notified if tardiness becomes consistent. Students will be marked absent if they have missed more than 10 minutes of class. If your student is marked absent in error they should contact their teacher directly.
4. Students who are quarantined are expected to participate in remote learning unless illness prevents them from doing so.
5. Please email our school nurses directly with COVID concerns and diagnoses (dmicciopace@cherrycreekschools.org, kmitchell22@cherrycreekschools.org, kcline2@cherrycreekschools.org).

Important RevTrak Account Information

The Cherry Creek School District has consolidated RevTrak, our online payment system. Even if you have used RevTrak in the past, you will be directed to set up a new account. This new login will work for all district schools. Your single account works even if you have students in more than one school! You may also notice that RevTrak looks slightly different, but be assured that everything else remains the same. If you have questions, please email the Bookkeeping office at: cchbookkeeping@cherrycreekschools.org

We have 49 National Merit Semi-finalists at Cherry Creek! Congratulations!

Congratulations to all our student athletes who committed on November 11. You can view the ceremony [HERE](https://studentscores.collegeboard.org/home). We are very proud of talent and character represented.

The SAAC (Student Athletic Advisory Committee) traditionally donates food for assembled “Thanksgiving Meal Baskets” for our community families in need. This year, instead of having each sport contribute a specific food item, we are asking for monetary donations to maintain healthy distancing. The end goal is still the same- to provide a Thanksgiving meal and holiday gifts for our community families in need. Donating is optional and any amount is appreciated. To donate please click [HERE](https://studentscores.collegeboard.org/home).
