National Merit Update:

CLASS OF 2021 UPDATE: August and September SAT results continue to be reported to National Merit, Semifinalists and Commended students. As a result, students in this year’s program will be added to our existing rosters. It continues to be the student/family’s responsibility to BOTH report SAT scores to national Merit and to send in the Alternate Entry Form by October 15, 2020. If you have already appeared on our roster of Commended students and now have a higher SAT score to report, your status may change after National Merit receives your scores. Post Grad will notify you via email when/if you appear on our Commended or Semifinalist roster.
