**WEEK AT CREEK; Week of December 7-12, 2020**

**News and Announcements:**

**Remote Learning**
Remote learning is new. To view a variety of helpful resources and information, please visit our Remote Learning Resources Webpage. The page includes the schedule, attendance information, tutoring resources, organizational resources and an important technology reminder about district devices.

**Remote Learning Attendance Reminders**
Attendance procedure updates for Remote Learning:
1. All school learning is synchronized remote.
2. If your student is unable to attend synchronous learning, please notify the CCHS Attendance Office at 720-554-2242 to excuse your student.
3. Teachers will be tracking tardies, and parents/guardians will be notified if tardiness becomes consistent. Students will be marked absent if they have missed more than 10 minutes of class. If your student is marked absent in error they should contact their teacher directly.
4. Students who are quarantined are expected to participate in remote learning unless illness prevents them from doing so.
5. Please email our school nurses directly with COVID concerns and diagnoses (dmicciopace@cherrycreekschools.org, kmitchell22@cherrycreekschools.org, kcline2@cherrycreekschools.org).

**Post Grad Information**
If you or your student have questions and need help with post grad timelines, requirements or information please go to: [https://www.cchspostgrad.com/](https://www.cchspostgrad.com/)

**Important RevTrak Account Information**
The Cherry Creek School District has consolidated RevTrak, our online payment system. Even if you have used RevTrak in the past, you will be directed to set up a new account. This new login will work for all district schools. Your single account works even if you have students in more than one school! You may also notice that RevTrak looks slightly different, but be assured that everything else remains the same. If you have questions, please email the Bookkeeping office at: cchbookkeeping@cherrycreekschools.org

**Reminders for District Technology**
Cherry Creek School District Information Systems continuously updates all Windows Student Devices, both the ones in the schools and those used at home. Most of those updates get pushed out at night, so it is important that at the end of the day **students log off from their devices, close the lid and leave them plugged in and powered overnight**. They should not be shutting off their computers. Updates then will run overnight and minimize day-time disruptions.

**How to Sign-Out:**
1) Windows Menu -> User Icon -> Sign out
2) Alternatively, press **CTR-ALT-DEL** at the same time and then click **Sign out**
3) Close the lid of the laptop and connect to a power source.
