WEEK AT CREEK; Week of December 14-19, 2020

News and Announcements:

Remote Learning
Remote learning can be difficult to navigate. To view a variety of helpful resources and information, please visit our Remote Learning Resources Webpage. The page includes the schedule, attendance information, tutoring resources, organizational resources and an important technology reminder about district devices.

Planned Textbook Drop-off on December 17 & 18
Students in grades 9-12 may drop off 1st semester materials including textbooks, library books, calculators (if one was checked out to them), and school computers (if the student is not returning to CCHS 2nd semester). Items can be dropped off on Thursday, December 17th from 7:45 am – 3:45 pm or Friday, December 18th from 7:45 am – 11:45 pm at the East Visitors Kiosk near the main entrance to the CCHS East Building. If you or your student have questions and need help with post grad timelines, requirements or information please go to: https://www.cchspostgrad.com/

Important RevTrak Account Information
The Cherry Creek School District has consolidated RevTrak, our online payment system. Even if you have used RevTrak in the past, you will be directed to set up a new account. This new login will work for all district schools. Your single account works even if you have students in more than one school! You may also notice that RevTrak looks slightly different, but be assured that everything else remains the same. If you have questions, please email the Bookkeeping office at: cchbookkeeping@cherrycreekschools.org

Reminders for District Technology
Cherry Creek School District Information Systems continuously updates all Windows Student Devices, both the ones in the schools and those used at home. Most of those updates get pushed out at night, so it is important that at the end of the day students log off from their devices, close the lid and leave them plugged in and powered overnight. They should not be shutting off their computers. Updates then will run overnight and minimize day-time disruptions.

How to Sign-Out:
1) Windows Menu -> User Icon -> Sign out
2) Alternatively, press CTR-ALT-DEL at the same time and then click Sign out
3) Close the lid of the laptop and connect to a power source.
