

The below CTE Districtwide courses are available to all Cherry Creek School District students and take place at various locations. The registration process for CTE Districtwide courses vary. Please see the course descriptions for more information.

## Cosmetology

### Cosmetology I

Grade: 11, 12

Concurrent/Dual Enrollment: Multiple opportunities available

Location: Colorado's Finest High School of Choice in Englewood

Year: 6.0 credit

Prerequisite: N/A

Course Type: Alternative Instruction/Work-Based Learning

Estimated Course Fees: \$650 and cost of uniform scrubs

This course takes place at Colorado's Finest High School of Choice in Englewood. Students are responsible for their own transportation. The Cosmetology program is a robust program that will prepare you to provide beauty services such as shampooing, cutting, coloring, styling, facials, manicures and pedicures. To be considered for this program, you must attend a parent meeting and orientation, as well as be on track to graduate in terms of credit hours. After applying, you will be contacted with more information. Multiple Concurrent Enrollment opportunities are available in this course. More information will be provided by the instructor. Course begins approximately August 13, 2024. The \$650 course fee includes cosmetology kit (used 1st and 2nd year; student keeps at completion of program), and consumables. Students will be responsible for purchasing uniform scrubs for the program. Anticipated session times: Option 1: Monday - Friday Morning Session (7:30 - 11:30am) OR Option 2: Monday - Friday Afternoon Session (12:00 - 4:00pm).

\*\*Summer session runs during the month of June and is required in order to enroll in Cosmetology II. Dates are to be determined, Monday - Thursday from 7:30am - 5:30pm.

To register for this course, scan the QR Code at the top of the page or visit [www.cherrycreekschools.org/Page/11161](http://www.cherrycreekschools.org/Page/11161) and click on the link for the CCIC Application.

### Cosmetology II

Grade: 12

Concurrent/Dual Enrollment: Multiple opportunities available

Location: Colorado's Finest High School of Choice in Englewood

Year: 6.0 credit

Prerequisite: Successful completion of Cosmetology I & Summer Session

Course Type: Alternative Instruction/Work-Based Learning

Estimated Course Fees: \$75 and cost of uniform scrubs.

This course takes place at Colorado's Finest High School of Choice in Englewood. Students are responsible for their own transportation. Cosmetology II is a certificate program requiring 1,500 hours which equals 50 credits in cosmetology, hairstyling, nail technology and esthetics. Students will learn theory, practice in hair care, cuts, color, perms, styling, nail technology and skin care. Students are prepared for supervised clinical practice and entry-level jobs in the cosmetology field. Students also explore career pathways, post-secondary options and career research techniques such as application preparation, resume/letter writing, and interviewing process. This program prepares students to pass the state-licensing exam given by the Department of Regulatory Agencies Office of Barber and Cosmetology (DORA). Multiple Concurrent Enrollment opportunities are available in this course. More information will be provided by the instructor. Course begins approximately August 13, 2024. The \$75 course fee includes consumables. Students will be responsible for purchasing uniform scrubs for the program. Anticipated session times: Option 1: Monday - Friday Morning Session (7:30 - 11:30am) OR Option 2: Monday - Friday Afternoon Session (12:00 - 4:00pm).

To register for this course, scan the QR Code at the top of the page or visit [www.cherrycreekschools.org/Page/11161](http://www.cherrycreekschools.org/Page/11161) and click on the link for the CCIC Application.

### Esthetics

Grade: 12

Concurrent/Dual Enrollment: Multiple opportunities available

Location: Colorado's Finest High School of Choice in Englewood

Year: 5.0 credit

Prerequisite: N/A

Course Type: Alternative Instruction/Work-Based Learning

Estimated Course Fees: \$350 and cost of uniform scrubs

This course takes place at Colorado's Finest High School of Choice in Englewood. Students are responsible for their own transportation. Estheticians, also called skin-care specialists, strive to make their clients look and feel younger and more attractive. They cleanse and beautify skin with facials and full-body treatments, apply makeup, remove facial or body hair with hot wax, give head and neck massages and may, with special training, perform microdermabrasion to remove imperfections and signs of age. Students are required to sell skin care products like those who run their own shops as entrepreneurs, involved in all phases of business management and marketing. To be considered for this program, you must attend a parent meeting and orientation, as well as be on track to graduate in terms of credit hours. After applying, you will be contacted with more information. Multiple Concurrent Enrollment opportunities are available in this course. More information will be provided by the instructor. Course begins approximately August 13, 2024. The \$350 course fee includes: esthetics kit (student keeps at completion of program) and consumables. Students will be responsible for purchasing uniform scrubs for the program. Anticipated session time is Monday-Friday, 12-3:30PM.

To register for this course, scan the QR Code at the top of the page or visit [www.cherrycreekschools.org/Page/11161](http://www.cherrycreekschools.org/Page/11161) and click on the link for the CCIC Application.

# Work-Based Learning

The Cherry Creek School District Work-Based Learning program is designed to connect students with career pathways of interest by partnering with businesses in the community. Through these experiences, students will have the opportunity to explore career pathways and develop career readiness skills.

## Career and Technical Education (CTE) Internship

Grade: 11, 12 Semester: 1.0 Estimated Course Fee: Summer School Fees Only  
Concurrent/Dual Enrollment: N/A Length: 100 Internship hours during Fall, Spring or Summer Semester  
Location: Based on Internship Course Type: Alternative Instruction/Work-Based Learning

The CTE Internship program will provide an opportunity for selected students to have experience in a career field that they would like to pursue after graduation. An internship is a form of firsthand learning that integrates knowledge and theory learned in the CTE classroom with practical application and skill development in a professional setting. This work/learning arrangement is overseen by the Work-Based Learning Instructor for CCSD. Within the internship, students can expect to do various work assignments, attend meetings, and complete projects. Professional success also depends on the level of student's maturity, responsibility and reliability. Internships can be paid or unpaid depending on the sponsoring company. Transportation is the responsibility of the student. This program is selective. To apply, the student must have taken a CTE course in the pathway they are pursuing. Students must apply and interview and be selected for an available CTE Internship. The student will then be enrolled in the course.

Applications for CTE Internship will be open during the second semester. Information on unique applications for each job will be available on the Cherry Creek School District Work-Based Learning page: <https://www.cherrycreekschools.org/domain/6101>; (or scan the QR code above). After applying, the Work-Based Learning team will follow up with next steps.

## Apprenticeship - Year 1

Grade: 11, 12 Year: 2.0 credit Estimated Course Fee: N/A  
Concurrent/Dual Enrollment: N/A Length: 12-16 hours per week  
Location: Based on Apprenticeship Course Type: Alternative Instruction/Work-Based Learning

Through CCSD Apprenticeships, students earn a wage while receiving hands-on work experience where they can apply their high school CTE classroom learning each week. All apprenticeships take place during part of the school day while also taking courses needed for graduation. An apprenticeship lasts between 2-to-3 years to ensure that students have the experience to either enter the workforce upon completion and pursue relevant higher education if necessary to meet their career goals. All CCSD Apprenticeships begin during junior or senior year and span 1-to-2 years after graduation. This course is for first year apprentices who are hired into a CCSD Apprenticeship during their junior or senior year. Cherry Creek School District works collaboratively with industry partners each year to bring in new apprenticeship opportunities in CTE Pathways. In addition to the onsite apprenticeship, students will be responsible for attending seminars and completing weekly online activities throughout the duration of their apprenticeship. Eligibility depends on the application and interview process, in accordance with the student's maturity, reliability, commitment, and graduation status. Transportation is the responsibility of the student (free monthly RTD passes are available). This program is selective. Additional application materials and an interview are required.

Applications for CCSD Apprenticeship opportunities will be open during the second semester. Information on unique applications for each job will be available on the Cherry Creek School District Work-Based Learning page: <https://www.cherrycreekschools.org/domain/6101> (or scan the QR code above).

After applying, the Work-Based Learning team will follow up with next steps.

## Apprenticeship - Year 2

Grade: 11, 12 Year: 3.0 credit Estimated Course Fee: N/A  
Concurrent/Dual Enrollment: N/A Length: 16-20 hours per week  
Location: Based on Apprenticeship Course Type: Alternative Instruction/Work-Based Learning

This course is for Apprentices as they continue the second year of their CCSD Apprenticeship. Current CCSD Apprentices will be given specific instructions from the Work-Based Learning team to register for this course.

## Future Educator Apprenticeship

Grade: 11, 12 Year: 2.0 credit Estimated Course Fee: N/A  
Concurrent/Dual Enrollment: Yes Length: 12-16 hours per week  
Location: Based on Apprenticeship Course Type: Alternative Instruction/Work-Based Learning

Students in the Future Educator Apprenticeship will earn valuable experience and work hours in the Future Educator Pathway working as a paraprofessional in an elementary school within Cherry Creek School District. Students can earn college credits, wages, additional certifications, classroom hours, and access to a professional network. (see Future Educator Pathway below - Year 1 & 2 courses for course descriptions). In addition to the on-site apprenticeship and concurrent enrollment coursework, students will be responsible for attending seminars and completing weekly online activities throughout the duration of their apprenticeship. Transportation is the responsibility of the student (free monthly RTD passes are available).

Please see Future Educator Pathway course information (below). For more information about the program and instructions to apply, visit the Cherry Creek School District Work-Based Learning page: <https://www.cherrycreekschools.org/domain/6101> (or scan the QR code above).

After applying, the Work-Based Learning team will follow up with next steps.

# Future Educator Pathway

The Future Educator Pathway is a CTE Pathway that includes innovation, concurrent enrollment course work, and an apprenticeship in a CCSD elementary school. Arapahoe Community College (ACC) concurrent enrollment coursework counts directly towards a post-secondary teaching degree. Courses follow the hybrid model combining asynchronous and synchronous learning. For additional Future Educator Apprenticeship information, please see "Future Educator Apprenticeship" (above) under the "Work-based Learning" section in the CTE District wide Course Guide. For more information about the program and instructions to apply, visit the Cherry Creek School District Work-Based Learning page: <https://www.cherrycreekschools.org/domain/6101> (or scan the QR code on this page).

## Future Educator - Year 1

Grade: 11, 12  
Concurrent/Dual Enrollment: 12 credit hours total  
Location: Hybrid

Year: 2.0 credits (each course 0.5)

Estimated Course Fees: may be applicable  
Prerequisite: N/A  
Course Type: Alternative Instruction/Work-Based Learning

### EDU 2088 - Practicum II

Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the education facility and with the direct guidance of the instructor.

### EDU 2211 - Intro to Education

Focuses on the historical, social, political, philosophical, cultural, and economic forces that shape the United States public school system. This course includes current issues of education reform, technology as it relates to education, and considerations related to becoming a teacher in the state of Colorado. The course addresses the educational theory and practices from Early Childhood Education (ECE) through secondary education.

### COM 1150 - Public Speaking

Combines the basic theories of communication with public speech performance skills. Emphasis is on speech preparation, organization, support, audience analysis, and delivery.

### LIT 2055 - Children's Literature

Examines the criteria for selecting appropriate literature for children. Explores literature through a variety of genres, age levels, values taught through literature, and literary and artistic qualities of various texts. This is a statewide Guaranteed Transfer course in the GT-AH2 category.

## Future Educator - Year 2

Students who have successfully completed Future Educator - Year 1 will be given instructions for enrolling in Future Educator - Year 2 by instructor.

Grade: 11, 12  
Concurrent/Dual Enrollment: 12 credit hours total  
Location: Hybrid

Year: 1.5 credits (each course 0.5)

Estimated Course Fees: may be applicable  
Prerequisite: N/A  
Course Type: Alternative Instruction/Work-Based Learning

### EDU 2341 - Multicultural Education

Explores racial, ethnic, cultural, and socioeconomic groups to gain an understanding of equity, diversity, and inclusion in communities and education. This course provides opportunities to contextualize multicultural perspectives in society and their impact on the education system.

### EDU 2611 - Teaching, Learning, & Technology

Explores integration of technology instruction into teaching practices used in preschool through postsecondary (P-21) educational settings for all curriculum areas of content. This course reviews a variety of technologies with an emphasis on increasing student learning and retention of knowledge. The course also explores combining technology with several instructional methodologies to promote professional teacher dispositions related to technology-rich teaching.

### SCI 1056 - Integrated Science II with Lab

Examines earth and biological systems, living and non-living environments, through the application of fundamental energy and matter concepts. These systems and concepts will be explored in hands-on laboratory experiments. This is a statewide Guaranteed Transfer course in the GT-SC1 category.
