

## **EHS COMMUNITY LETTER**

January 20, 2021

Dear Eaglecrest High School Parents and Guardians,

We want to make you aware that four Eaglecrest High School students have tested positive for COVID-19.

***Based on guidance from the Colorado Department of Public Health and Environment (CDPHE) and a public health investigation, we are quarantining 24 students who were in close contact (within six feet for 15 minutes or longer) with any of the students who tested positive. The parents of those students have been contacted directly. If you have not been contacted directly, you do not need to take any action. We are notifying you as part of our efforts to be transparent.***

Any case of COVID-19 in the Cherry Creek School District is investigated by our public health partners. As part of that public health investigation:

- The person diagnosed is kept home from school or work until they are no longer infectious.
- The person's mask use, physical distancing and activities while infectious are assessed.
- The people who were in close contact with the person with COVID-19 are instructed to quarantine according to [updated guidelines from CDPHE](#).

No-cost COVID-19 testing is available to anyone in the Cherry Creek community who needs a test:

- For Cherry Creek students: <https://www.primarybio.com/l/cherry>
- For friends and family of Cherry Creek: <https://www.primarybio.com/l/cdphe>

All students, staff and families are reminded to follow district health and safety requirements to wear a mask, wash hands frequently and practice physical distancing to the greatest extent possible. ***If you or anyone in your household is exhibiting symptoms consistent with COVID-19, do not send your child to school. Seek medical care and COVID-19 testing.***

We thank you for your partnership in the effort to keep students, staff and families healthy and safe this school year.

If you have questions related to school, please call the school main office. If you have questions about COVID-19, please contact Tri-County Health Department at 303-220-9200.

Sincerely,  
Cherry Creek Schools
