

## **Welcome to Bellevue!**

We are thrilled you are joining the Bellevue community! With a long history of exceptional parent involvement, Bellevue Elementary has an outstanding Parent Teacher Community Organization (PTCO) and we look forward to having you involved.

The PTCO provides financial and volunteer resources to the school to enhance the learning environment for every Bellevue student. Our three main purposes are to raise money, provide volunteers at the school, and build community.

**You are a vital part of Bellevue's success.** Please visit [www.BellevuePTCO.org](http://www.BellevuePTCO.org) and click on the "Register Here" button on the right hand side. By registering on the website, your child will be able to attend PTCO sponsored events and you will have access to the online school directory, receive the weekly PTCO newsletter, and stay informed of school happenings such as the upcoming school supply sales (April-June) and the kindergarten get together in August.

**We are excited to meet you** and look forward to working together to continue supporting Bellevue's excellence in education. Please contact us with any questions about the Bellevue PTCO. We'll see you in the fall!

David & Lisa Piantanida  
2024-25 Bellevue PTCO Co-Presidents
