

# How to Get Unofficial College Transcripts to show your College Credits

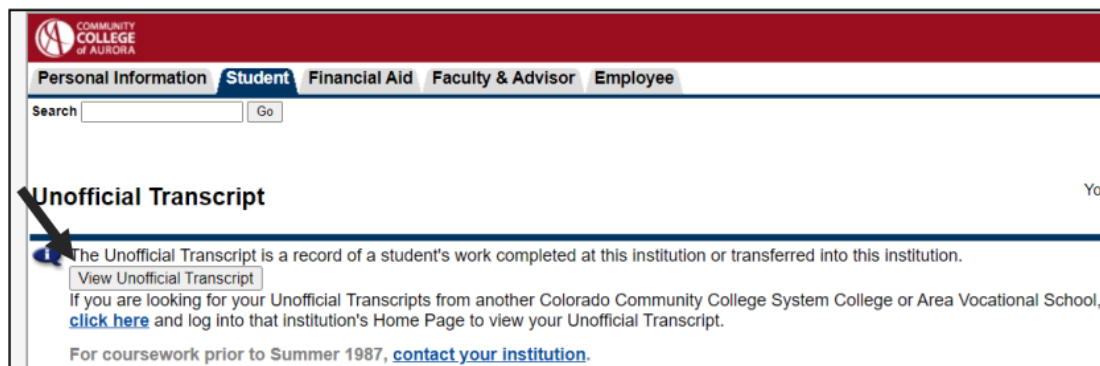

Unofficial college transcripts are needed for CCSD seniors when they apply for the ASCENT or TREP programs so they can show their earned college credits. Students can request an unofficial transcript from CCSD's college partners when they have received a grade from that school through concurrent/dual enrollment within the last 3 consecutive semesters. Use the instructions below for each school. *(If it has been longer than the last 3 consecutive semesters, contact the school for instructions.)*

1. Go to [www.ccaurora.edu](http://www.ccaurora.edu) and scroll to bottom of page to access myCCA.
2. Once inside myCCA, look for the Student tab on the lefthand side.
3. From the Student dashboard select the icon that says "Unofficial Transcript."

4. From the Unofficial Transcript page, select the icon that says "View Unofficial Transcript." You will be given an option to download the document.
