

Vogel Challenge Week

Todd Vogel was a teacher and dean at Grandview High School before becoming an assistant principal at Chaparral High School. He did an amazing job creating a positive environment for students that has left a lasting impact on our community. In memory of Todd and his contributions to education, a memorial scholarship fund was set up in his name, which benefits a graduating Grandview student, a graduating Chaparral HS student, and a graduating student at Todd's own high school each year who aspire to become an educator. All proceeds from Vogel Challenge Week will go to the Todd Vogel Memorial Scholarship fund.
