AmeriTowne 2024

WHAT IS AMERITOWNE?

The **AmeriTowne** education program helps students learn about economics through fun, hands-on techniques. Students learn about business, trade, making a profit, and responsible credit card usage. The materials prepare students for the most crucial (and fun) part of the program – a day running AmeriTowne. The Towne is a life-like simulation of a marketplace where students physically apply concepts they've learned as they step into roles as town citizens.
