Power Scholars Academy 2021

The YMCA's Power Scholars Academy is a FREE & FUN and enriching way for your scholar to learn and engage academically during 4 weeks of summer. Scholars receive a half day of explicit academic instruction focused on Math and Literacy using accredited curriculum from Bellxcel taught by certified Teachers.

For your scholar to receive maximum benefit from the program, full participation is required (dates and times below for the full 4 weeks)

Power Scholars Academy is designed specifically for scholars entering grades 1st-5th in fall 2021, who need additional academic support in Math and Literacy to reach grade level.

Dates: June 2-July 1, 2021
