Message from the Superintendent

Cherry Creek Schools Superintendent
Christopher Smith

In the past school year, we celebrated more than 4,400 seniors as they took their next step along their Pathway of Purpose. Whether it's entering the workforce, military service, or continuing their education, I feel confident that graduates of Cherry Creek Schools leave prepared for the next chapter, thanks to rigorous classes, career-centered learning opportunities such as the Cherry Creek Innovation Campus (CCIC), internships and apprenticeships, and a supportive community of peers, friends, mentors, and trusted adults.

In the year ahead, I look forward to continuing to make Cherry Creek Schools a place of excellence – for students and for our staff. Last year, Cherry Creek Schools was ranked as the best school district in the state for teachers compared to nearly 200 districts in Colorado because of our commitment to our Core Values, high average salary, and low turnover rate. Recruiting and retaining high-quality professionals to teach and inspire students is at the heart of what we do. In addition, I hope you'll take the time to read through the continued improvements we've made at each school thanks to the generosity of our community, and several other exciting initiatives we have planned for the year ahead. Together, we can make 2023-24 another great school year for our students!

Message from the Board of Education

CCSD Board of Education

Janice McDonald, Kelly Bates, Anne Egan, Angela Garland, and Kristin Allan

As members of the Cherry Creek School District Board of Education, we appreciate the continued interest and support of our families and community members in Cherry Creek Schools. With 53,000+ students and 9,000+ staff members across 67 schools, we recognize and appreciate the responsibility we have to inspire every student to think, to learn, to achieve, to care. We believe Cherry Creek Schools has the ability to establish a strong foundation for each and every student that will ensure they have the skills necessary to be successful in school and in life.

That means supporting the educational journey of all students through a variety of programs and opportunities, including multiple career pathways and hands-on learning at the Cherry Creek Innovation Campus, and a broad range of extracurricular activities and athletic programs. It also means supporting the whole wellbeing of our students through investments such as a school nurse in every building, school-based health clinics, and the new Traverse Academy mental health facility opening in the fall.

We look forward to continuing our partnership with families and community members to support our students and build our future. We look forward to another great year ahead.

2023 | 2024 School Year

Preschool & Early Childhood

Cherry Creek Schools offers free, full-day kindergarten and half-day universal preschool for all families!

Traverse Academy

A first-in-the-nation, district-operated mental health facility responding to the increased needs of our students will open in Fall 2023 as part of a partnership with the CU Department of Psychiatry.

Veterans and Military Appreciation

Save the Date!

Saturday, September 9 is the 2023 Veterans and Military Appreciation Celebration! Don't miss school-based events during Veterans Week (November 6-10).

New STRIDE Center

Smoky Hill High School will open the third and newest School-Based Community Health Center serving students and the community.

Donation Drives

High schools host feeder-area donation drives to collect food and household goods for school-based resource pantries across the district.

Best District for Teachers

Thanks to salary increases and low turnover rates, we've been named one of the best districts in Colorado for teachers!
