Inside/Out offers a learning environment that fosters critical thinking, creativity, collaboration and effective communication skills:

- \*Critical thinking and Problem Solving teaches students to question claims and seek truth.
- \*Creativity and Innovation teaches students to think in a way that is unique to them and expands on ideas.
- \*Collaboration teaches students that groups can create something bigger and better than you can on your own.
- \*Communication teaches students how to effectively convey ideas.

Combined, the four C's empower students to become one-person think tanks. Then, when those students get together, they can achieve almost anything!

Three weeks of courses: June 7-11, June 14-18 & June 21-25

#### Step 1: Choose Your Courses

Review the selection of courses (<https://cherrycreek.revtrak.net/other-programs/rw-inside-out/> or the course guide) with your child based on the grade level your child will be in the fall of 2021. Students can select one course per block of time (either an AM class, PM class, or both – each week). Online registration and course information will be available starting March 25, 2021 and will close April 19, 2021. Classes fill on a first-come, first serve basis – there are no waitlists. Classes also need a minimum number of students to run, if this number is not met, the class will be cancelled.

#### Step 2: Registration Fees & Payment

For your convenience, Cherry Creek Inside Out has contracted with RevTrak, a national credit card payment processor, to provide you a simple, secure, and convenient way of making online registration payments. Parents can pay online with Discover, MasterCard, or VISA credit or debit cards. Our Web Store accepts payments over the internet 24/7. Please note: There will be a 3.61% service fee charged at checkout. The following is the payment structure depending on the number of classes purchased: 1<sup>st</sup> Registration \$175 (one class), 2<sup>nd</sup> Registration \$300 (two classes), 3<sup>rd</sup> Registration \$450 (three classes), 4<sup>th</sup> Registration \$575 (four classes), 5<sup>th</sup> Registration \$725 (five classes), 6<sup>th</sup> Registration \$850 (six

classes) - **this cost is per child, not per family**. Requests for refunds will not be accepted after May 21, 2021. New this year – we have added a multiple sibling discount. If you are registering more than one child a 10% discount will be applied to the additional children's class costs.

**Registration process: When signing up multiple students within the same family - be sure to start your registration process over again for each child. For example: Joey Smith signs up for 3 classes (1st, 2nd registration, and 3rd registration). Philip Smith signs up for 2 classes (You should select 1st and 2nd registration again, not 3rd or 4th registration).**

Students who qualify for free/reduced meals through the district receive a 50% discount. A copy of the free/reduced eligibility form needs to be received within five business days of the student's online registration or the registration will be cancelled. Please email these forms to [insideout@cherrycreekschools.org](mailto:insideout@cherrycreekschools.org). Please call 720-886-7175 if you need your child's free/reduced eligibility form.

Lunch & Transportation:

Lunch is not provided – please pack snacks/lunches for your child(ren).

Transportation is being offered. Pick up and drop off locations will be at the child's home-feeder middle school. For example: If your child attends Challenge Magnet School, but their home school is Indian Ridge Elementary, their home-feeder middle school would be Laredo Middle School. Please note that 1<sup>st</sup> through 8<sup>th</sup> graders will be riding the same bus. Parents still have the option to provide their own transportation to and from Sky Vista Middle School where Inside Out will be taking place.
