School of Choice

For district residents who want to request a school other than their assigned neighborhood school. Open from *January 1 through February 1*. Forms are submitted online at:

www.cherrycreekschools.org/admissions

Applications are considered on a space available, lottery basis with priority given to siblings and employees.

IntraDistrict Transfer

For district residents who missed the School of Choice window. Open *February 2* each year.

Applications are considered on a space available, lottery basis with priority given to siblings and employees. Forms can be found at: www.cherrycreekschools.org/admissions

Non-Resident Applications

This process is for families that live outside CCSD boundaries but would like to enroll at a Cherry Creek school. Electronic applications are available from *April 1 to August 1* each year.

Applications are considered on a space available, lottery basis with priority given to siblings and employees. Forms can be found at: www.cherrycreekschools.org/admissions

Elevation Online Students

At the time of this writing, the district plan is to have students who are attending Elevation during this pandemic *to be automatically moved back into their neighborhood schools next year*. Families who wish to continue attending Elevation next year must apply to Elevation via School of Choice or IntraDistrict Transfer applications. If you would like to return to your neighborhood school and have not moved, there is nothing that you need to do for next year.
