It is a state requirement that athletes must register on Planeths.com (formerly ArbiterAthlete.com) in order to be eligible to compete. If an account already exists for an athlete (from any prior season), a new one does not need to be created unless the athlete is a transfer athlete. Parents do not need Planeths/ArbiterAthlete accounts unless the athlete is a transfer athlete. To sign up: Text S41444 to 69274 or visit planeths.com. Athletes will need to input: •Full name (PowerSchool names ONLY, no nicknames) •Birthdate •School ID •Choose Cherokee Trail High School as their home school •Select sport(s) of interest

Eligibility Policy 2020-2021

Cougar athletes must maintain academic eligibility to participate in athletics. An eligibility report will be generated on Tuesday morning and head coaches will receive that report listing any athletes with 1 or more D or F grades. Athletes have an opportunity to raise grades before the final report is ran on Friday for any athlete that has more than 1 F grade. An athlete that has 2 or more F grades will lose eligibility (also known as being ineligible) for the following full week (Sunday to Sunday) and cannot participate in competition. See the Athletics office with any questions.
