3rd and 4th Grade Cougar Choir

Meet Tuesdays and Thursdays: 9/24 – 12/12

The Third and Fourth grade Cougar Choir will be a group all about singing! Continuing the work we did last year, students will learn the fundamentals of proper choral singing technique. We will be singing a variety of children's choral literature as well as a few rounds. If your child likes music class and loves to sing, this is the group for them! Also please note, just as last year, the group will be divided into two sections, a Tuesday choir and a Thursday choir. Both will rehearse the same music and combine to sing together as one choir for the concert on Dec. 12.
