COMMUNITY ARTIST NEEDED

We would love to include COMMUNITY ART in our school!

If you are an artists or know an artist who is willing to share their work with us, we would love to hang the art on our walls around the school.

Please contact Mandy Sheets at 720-866-8100

PRINCIPAL CONNECTION

Dear Cimarron Families,

Summer vacation is in full force and we wanted to wish you a safe and restful break from school! We hope your children have been able to play outside and of course, that they have found a good book to take them on a new adventure!

We are excited about a few updates happening at Cimarron this summer. Our new marquee should be installed sometime this summer. Thank you to all of you for your support with this updated addition to our school. PTCO was able to support the purchase of the marquee! We will also have an updated front entrance space, some new innovative furniture in our classrooms and a state of the art media center, with a makers space for our students to explore! All of this is possible because of our last Bond Election in 2016 and you, our voters! If you or your children are around the school this summer, please make sure to stay away from any of the construction site areas.

In the mean time, we have a few things happening at Cimarron and in our district this summer. On June 12th, we invite you to join us for a fun Summer Reading Kick Off. We will not be having our Books on Blankets this summer, so bring the whole family to our Kick Off from 5:30 to 7:00! You will also find information below about our Mustangs on the Move, summer meal programs and a few other things you may want to know about this summer! Our main office will be closed from June 17 through July 19th.

For those of you who are planners and already thinking about next year, Meet and Greet will be held from 2:00 - 4:00 pm on Thursday, August 8, 2019. This will be an opportunity for you to see who your child’s teacher is and drop off your supplies. Class lists will be posted at 3:00 pm on Wednesday August 7th. You must fill out the parent forms in order for your child to be placed in a class. Parent forms can be filled out beginning July 1, 2019. Please make sure to select the option for you to receive email and text updates. This is one of the easiest ways we can get information to you quickly. This year we used the text message feature to communicate any weather delays and send our monthly newsletter.

If you are looking for a quick and easy way to get your school supplies, PTCO has partnered with a company who will deliver them right to our school! See the flyer below for more information. These supplies will be here for you to pick up at Meet and Greet.

We are grateful for an incredible year and are looking forward to next August!

Your Partners In Education,

Mandy Sheets and Megan Carkhuff

Cherry Creek Schools Parent Community:

Cherry Creek Schools requires families to update their household and student information each year including emergency contacts, medical, and policy acceptance forms, along with school specific forms. These forms will be made available online beginning July 1, 2019 and are part of the annual check-in processes for the start of the 2019-2020 school year. Parents who submitted information last year can save time by accessing the system to review, update, and save information previously stored. Parents can always return to the online forms to update information that may change during the school year (i.e. phone numbers, emergency contacts, medical updates, etc.).

In July you will receive an email informing you that the Parent Online Forms system is ready for 2019-2020 annual check-in. Some important notes about accessing the system:

1) You can register and/or login to the system at [http://my.cherrycreekschools.org](http://my.cherrycreekschools.org).

2) Parents who already registered to use the system in prior years will use the same username and password. Parents can change/reset their password at [http://my.cherrycreekschools.org](http://my.cherrycreekschools.org).

3) New parents to CCSD will need to create a username and password to use the system by registering at the Internet address above. To register, parents should have the following information available: Parent First and Last Name, Birthdate and Student ID for at least one of their children, and a Personal Email Address. Spelling for all personal information must match District Admissions. Student ID Numbers are available on school report cards, as well as original Admissions documents.

4) Students and families not yet admitted to Cherry Creek Schools will not have access to the system.

Cherry Creek Schools requires each family to update their student information. Be aware that updating student forms electronically is only part of the check-in process. Each school has additional steps for each student to complete. Check with your school for more information.
