Dear Parents,

During this time, we have asked our children to do more than they have ever been required to before. We have asked them to become more independent during arrival times, wear masks and support new safety protocols. We have also asked them to challenge their understanding of Digital Citizenship and take their learning to a different level through technology.

Our students have risen to meet each of these challenges and have proven successful exceeding our expectations of them. I am so very proud of the incredible job each of our staff and students have done this year! #Marmot Pride

**Remote Learning Updates** - During this time, your children are expected to be in attendance for 3 hours daily with their classroom teachers. Attendance is taken daily and input into our systems. If you are going to be absent for any reason or need to step out for an appointment, please email your child’s teacher and Denise Jensen, so they can accurately record the information. Thank you for reserving this time for learning. We truly appreciate your support!

Along with this piece, your child should have work to complete, and time in small groups or individually with their teachers during asynchronous time. It is very important that students complete their work during this time. Teachers are gathering data and recording grades, which is different from last Spring.

Please let us know if you have any questions or need support during this time.

Thank you for your continued support of Aspen Crossing Elementary. We truly appreciate all you do to support both your children and our school. I hope you each are able to enjoy time with your family and relax during the upcoming holiday season.

Please stay safe and take care! I miss seeing everyone and look forward to the time when we can all be together again in the building.

Kind regards,
Karen
Before and After Care - Our Before and After Care program is running during remote learning. Students are bringing their devices to school and logging in to meet remotely with their individual classroom teachers during their synchronous time. When they are not learning remotely, staff have fun activities for children to engage in and enjoy. If you are interested in learning more about our program, please reach out to Heidi Carreon, our Director, at hcarreon@cherrycreekschools.org.

Winter Break - No School Dec. 21 - Jan. 5

Don't forget to call the attendance line 720-886-3795, if your student is going to be absent or late.
