## *Positive Behavior Intervention Supports: PBIS*

The focus for December is on Growth Mindset. Students will be reading books in their classrooms during morning meeting about what being an accountable person looks like, sounds like, and feels like. At home, talk with your student and give them ideas of how they can be accountable for their actions, their things, and their responsibilities. Students who are modeling Growth Mindset throughout our school will receive a \$5 Golden Buffalo Buck. In November, the focus was on solving problems peacefully.
