DROP OFF AND PICK UP RULES AND SAFETY

Dear Parents,

Every day we strive to provide a safe and thriving scholastic environment for Buffalo Trail students, teachers and staff. It takes everyone doing their part to help ensure each child is not only safe during school hours, but before and after as well. Part of that responsibility is adhering to road and pedestrian safety laws and rules. Once we are able to work together, not only will it be safer for everyone, it will also make drop off and pick up more efficient. Please help us by reviewing the following and having a conversation with your child/children about road and pedestrian safety.

Right lane for drop off:

- Do not park and wait in the drop-off lane.
- Do not exit your vehicle. If your child can not promptly exit themselves, please consider parking in a legal spot and walking your child to an appropriate location to enter the school.
- Have your child ready to exit your vehicle soon after coming to a complete stop. To ensure the line keeps moving in a safe and prompt manner, have your child physically and mentally prepared to exit.

Left lane to parking lot:

- The parking lot is only for parking in legal spots and walking your child/children to the front of the school.
- Do not do drop-offs in the parking lot.
- Utilize the crosswalk to get from the parking lot to the front of the school

Parking along the road:

- Adhere to posted signs and speed limits.
- Use sidewalks and crosswalks only.
- Wait for crossing guards to fully enter the road, stop traffic and give the ok before entering the crosswalk.

Crosswalks and Pedestrians:

- Do not cross roads or lanes at any location other than crosswalks.
- Wait for crossing guards to fully enter the road, stop traffic and give the ok before entering the crosswalk.
- Drivers and pedestrians should follow the guidance of crossing guards.
- Slow down to be prepared to stop for pedestrians and crossing guards.

Afternoon (M-T-TH-F)	2:45
Afternoon (W)	1:45

*There is no adult supervision before 7:50 AM. Please do not drop your children off before then. Children should not be playing on the playground before or after school unless they have an adult supervisor such as a parent or other family member.

Animals on School Property

Please remember that only service animals are allowed on school property including at arrival and dismissal. Thank you for understanding.

Student Leadership Coin Drive

Student leadership is leading a coin drive for Buffalo Trail. The purpose of this coin drive is to raise money to buy a new Buddy Bench for our school playground. Our wonderful PTCO is going to match any money raised during the coin drive to help us purchase a new bench.

The Buddy Bench is a place for students to sit when they need a buddy during recess. This encourages empathy, compassion, and building friendships.

Students can bring in both cash and coins and put them in the gallon jug in their teacher's classroom any time between now and the end of February.
