Arrival and Dismissal

The Cherry Creek School District has added another tool to help protect the health and safety of our In-Person learning students and staff, as well as their families and our broader community. CCSD has developed the "COVID Symptom Checker," an easy-to-use, online tool that will help us mitigate the spread of COVID-19.

The COVID Symptom Checker is a quick and convenient way for staff, parents and students to identify potential COVID symptoms. The tool also provides direction on what to do - or not do - if a student or staff member is experiencing any of those symptoms.

All students and staff members are expected to do their part to protect the health and well-being of our school communities by using the COVID Symptom Checker before they come to school each day. There are three easy ways to access the Symptom Checker:

1. Log in to [myCherryCreek](#) and click on the COVID Symptom Checker tile.
2. Use the QR code below.
3. Or click on this link - <https://bit.ly/ccsd-health>.

Once you open the COVID Symptom Checker, you'll see several simple questions to answer. After you answer the questions, your results page will come up. Employees and student families must follow the instructions on the Symptom Checker if results are yellow or red. Using the Symptom Tracker should take less than a minute and will help protect the health

Arrival and Dismissal
(continued)

of people inside and outside our schools.

For more information about how to use the COVID Symptom Checker, [watch this short video](#).

Cherry Creek Schools has created a series of back-to-school videos on different aspects of In-Person learning. You can find them on [Cherry Creek TV, the Cherry Creek Schools' YouTube channel](#).

For safety's sake, parents are asked not to drop their students off before 7:45 am on school days. **Supervision is not provided before this time.** The only exception is for students in Buff Club (before and after school care program). **If students plan to have breakfast at school, they will do this in their classrooms once school begins at the regular time, and so there is no need to arrive early for breakfast.** Classes do not line up outside before school begins.

Instead, students may begin entering the building when the first bell rings at 7:45. Students arriving early will be directed to call a parent/guardian to pick them up. **Parents will not be permitted to enter the building during arrival. Students will enter and exit the building via their grade level's assigned doors:**

- K – Kindergarten mobile 1 & 3 doors
- 1st – Main doors at front of building (#1)
- 2nd – Doors between green/red pods (#10)
- 3rd – Playground doors (#9)
- 4th – Bus loop doors (#8)
- 5th – Foothills pod doors on front of building (#2)

At 2:45, students riding buses will be dismissed.

At 2:50 the remaining students will exit the building using the same grade level assigned doors listed above. Please designate a meeting place outside for your children since they will be exiting from different doors. Walkers and car riders will be dismissed. Students waiting to be picked are expected to maintain physical distance to the greatest extent possible.

If you need to pick your student up from school early, it is most convenient to call the school approximately five minutes before your arrival. When arriving at the school, please ring the doorbell and state your name and business. Please have your identification available to present to the front desk. The office will only dismiss

<p>Attendance</p>	<p>students to an adult that is on your emergency contact information that you provided through your parent portal. Sign your student out on the Student Sign In/Out form.</p> <p>For the safety of everyone, all individuals should have a face covering securely in place while on school property. You can find more information about District changes and new requirements for this school year on the District Website as well: https://www.cherrycreekschools.org/domain/5266</p> <p>Our goal is for students to attend school at least 96% of the time, which means missing seven or fewer days of school during the school year. Colorado’s Compulsory Attendance Law gives specific guidelines for student attendance and the ramifications for excessive absences and tardies. The parents of students with attendance concerns will receive a letter from the school administration. To report your child’s absence, please call the attendance line at 720-886-4095 or submit an absence form through our school app.</p> <ul style="list-style-type: none"> ● Make-up Work – Students are given time to make-up the work missed during their absence. Students receive one day for each day missed to complete and return the work. ● Extended Absences – If a parent informs the teacher that a student will be missing school for three days or more for a planned event (e.g. family reunion, bereavement, vacation, etc.) the teacher can indicate what work the child must complete. The teacher is NOT required to replicate the learning experiences that will be covered in the classroom. ● Tardies – It is important that children arrive on time for school. When a child arrives after the 8:00 am bell, he/she must come to the office to sign in. If your student is late for school. Please walk your student to the main entrance and ring the doorbell. Let us know why you are here. Hold the door for the student and only let the student pass through. ● Excusing students early from school – Parents may request that students be excused from school prior to dismissal. If you need to pick your student up from school early, it is most convenient to call the school approximately five minutes before your arrival. When arriving at the school, please ring the doorbell and state your name and business. Parents/guardians must wear a mask, physically distance on a marked floor dot, and wait until they are called up to the
-------------------	---

<p>Cell Phones, Personal Belongings & Pets</p>	<p>office to check in. Please have your identification available to present to the front desk. The office will only dismiss students to an adult that is on your emergency contact information that you provided through your parent portal. Sign your student out on the Student Sign In/Out form.</p> <ul style="list-style-type: none"> As a reminder, only those individuals listed as emergency contacts will be permitted to pick up your child from school. If you plan on having someone other than a parent/guardian pick up your child (babysitter, grandparent, friend), please list that person as an emergency contact.
<p>Child Care</p>	<p>Students' cell phones must be turned off and stored in students' backpacks during school hours. Students who bring cell phones to school do so at their own risk. If a staff member sees or hears a cell phone during school hours they will take the cell phone away and secure it until the end of the day. Students may get their phones back at 2:45. For a second offense, a parent will be required to come pick it up. Problems often arise when articles are brought to school that are hazardous or interfere with school procedures. Personal objects of value are to be brought to school only during special occasions when a teacher has given permission. The school provides playground equipment. Toys and items such as rollerblades, music players, electronic devices, or other objects creating a distraction are not permitted at school. We cannot be responsible for any loss or damage to students' personal property. Students may ride bikes to and from school provided they dismount and walk them once on school property. Bikes must be locked in the bike racks with locks provided by the student. Scooters and skateboards are unable to be safely stored or secured at school and are not permitted in the building. Due to health and safety concerns, pets may not come to school. Please do not bring pets onto school grounds at the beginning or end of the day.</p>
<p>Dress Code</p>	<p>Our child-care program, Buff Club, provides Before and After school care, as well as full day care on many non-school weekdays and school breaks. Child-care runs from 6:30-7:50 AM and 2:45-6:00 PM daily when school is in session. For more information, please call the director at 720-886-4037.</p> <p>Modesty, cleanliness, neatness, and appropriateness are the standards which should be observed by all students in their personal dress and grooming. Hats, caps, or visors may be worn outside only. No see-through, mesh clothing, halter tops, tube tops,</p>

<p>Dress Code (continued)</p>	<p>strapless tops, spaghetti strap tops, low-cut blouses or shirts, or any other clothing which might reveal a large portion of the body are allowed. Bare midriffs are not to be shown. Students are permitted to wear shorts, skorts, skirts, and dresses that are fingertip length. Low-rider, baggy or oversized pants are not allowed. No skate-shoes or bare feet are allowed. Students need to wear appropriate footwear for gym class and for cold weather. Clothing that contains pictures, emblems, or writings that are suggestive, lewd, offensive, vulgar, or obscene, that advertise or depict tobacco products/alcoholic beverages/drugs/illegal substances, or that promote racism are prohibited under District policy. If the school staff determine that a student violates the dress code or presents a safety concern, the student will be given an opportunity to correct the problem by having a parent or designee bring an acceptable change of clothing to school. The student will remain in the office until appropriate clothing arrives. The student will return to class once he/she is wearing acceptable clothing. One simple guideline to consider: if you are questioning whether apparel might be unacceptable, don't wear it to school. Each year there are a few things, including some "fads," that appear at school. These are not listed nor do these regulations cover all problems that may arise. When any "fad" creates a disruption to the learning environment, the school staff will follow the steps listed above.</p> <p>Students are required to wear a mask at all times while at school. The only exceptions for this are while eating/drinking, when taking a mask break outside at recess, or while engaging in strenuous activity in PE class. All students will be expected to comply with this per our District Superintendent. If your child has a medical condition which prohibits them from wearing a mask, you must call our school nurse (720-886-4004) prior to sending your child to school. https://www.cherrycreekschools.org/domain/5266</p>
<p>Homework</p>	<p>Homework is an important part of the learning expectations at Buffalo Trail. It will be the responsibility of students, with family support, to complete homework. Homework will begin in kindergarten and will become progressively more demanding as children get older. Homework assignments also afford a way for parents to acquaint themselves with the school program and their own children's educational programming. The purposes of homework are to:</p> <ul style="list-style-type: none"> ● Reinforce concepts and skills learned during class ● Provide practice with newly learned skills

Lost and Found	<ul style="list-style-type: none"> ● Teach efficient use of time ● Review material learned earlier for test preparation ● Develop independent study habits ● Make up work missed due to absences <p>Guidelines for homework are different for each grade. The general expectations for time spent on homework are listed below. If you develop concerns about homework overload for your child, these concerns should be discussed with the teacher. No major projects will be assigned for total completion over a weekend or vacation.</p>											
	<table border="1"> <tr> <td>Kindergarten</td> <td>5 – 10 minutes per night, Monday - Thursday</td> </tr> <tr> <td>First Grade</td> <td>10 – 20 minutes per night, Monday - Thursday</td> </tr> <tr> <td>Second Grade</td> <td>20 – 30 minutes per night, Monday - Thursday</td> </tr> <tr> <td>Third Grade</td> <td>30 – 40 minutes per night, Monday - Thursday</td> </tr> <tr> <td>Fourth Grade</td> <td>40 – 50 minutes per night, Monday - Thursday</td> </tr> <tr> <td>Fifth Grade</td> <td>50 – 60 minutes per night, Monday - Thursday</td> </tr> </table>	Kindergarten	5 – 10 minutes per night, Monday - Thursday	First Grade	10 – 20 minutes per night, Monday - Thursday	Second Grade	20 – 30 minutes per night, Monday - Thursday	Third Grade	30 – 40 minutes per night, Monday - Thursday	Fourth Grade	40 – 50 minutes per night, Monday - Thursday	Fifth Grade

Second Grade	20 – 30 minutes per night, Monday - Thursday											
Third Grade	30 – 40 minutes per night, Monday - Thursday											
Fourth Grade	40 – 50 minutes per night, Monday - Thursday											
Fifth Grade	50 – 60 minutes per night, Monday - Thursday											
Lunch/Recess Logistics	<p>Children’s personal items (coats, gloves, hats, lunch boxes, etc.) should be clearly marked for identification. A Lost and Found chest is located outside the cafeteria. At the end of the last lunch recess, any items left unclaimed outside will be placed in Lost and Found. After Fall and Spring Conferences and at the end of the year, unclaimed items are donated to charity.</p> <p>At the beginning of each school year, the Student Nutrition Services staff provides an annual school meal calendar on their website (www.ccsdcafe.org). It contains all the pertinent menu information for the entire school year. A limited number of snacks are also available for purchase. The cost is per item and varies a la carte. Due to logistics, students may not bring food for lunch that needs to be microwaved or specially prepared.</p> <p>To provide ample space for students to socially distance while they eat, some classes will eat in the lunchroom and some may eat in an alternate location on a weekly rotation schedule. All students will</p>											

Lunch/Recess
Logistics (cont)

wash their hands with soap and water before lunch. All food must be consumed in the cafeteria or designated lunch space; no food may be taken to the playground. Every child has an account number they will memorize and keep confidential. Any amount of money can be deposited into this account. Every time the child goes through the lunch line, this account is automatically debited. Typically, students have 25 minutes to get through the lunch line and eat their lunch. Toward the end of the lunch period, the lunch monitor will turn off the lights to warn students of the time limit. Students will clean up after themselves before going outside for recess.

Recess is an important activity for children of all grade levels. All grades have recess after lunch for 30 minutes. To maintain physical distance, all close-contact activities (basketball, football, tag, etc.) are suspended until further notice. Children will go outside for recess unless there is precipitation, lightning, or the temperature (with wind chill considered) falls below 20 degrees.

Prices for School Lunches:

- Student Lunch w/milk \$3.25
- Milk only \$1.00
- Adult Lunch \$4.25
- Breakfast \$2.20

The cafeteria has several methods available to add money to a student's lunch account.

- Cash: Can be deposited into a meal account and meal price will be deducted each time a purchase is made.
- Check: To deposit money to a meal account using a check, please make payable to Cherry Creek Schools Food and Nutrition Services.
- Online: The **Titan Family portal** (family.titank12.com) is a secure, online system that allows parents to:
 - Make an online payment to their children's cafeteria meal accounts
 - Remotely monitor their children's accounts
 - Set up automatic recurring payments
 - Set up low balance e-mail message alerts
 - Submit an online application for free and/or reduced meals

<p>Medication and Illness</p>	<p>Public schools are governed by strict laws and rules regarding the dispensing of any kind of medication. Parents whose children require medication must provide the school with a form (available from the nurse) signed by their doctor that specifies exactly what medication and what dosage the child is to receive. All medication is kept in the nurse's office under lock and key and is dispensed only by trained personnel. The nurse keeps a log of all medications dispensed at school. The nurse will notify parents when a child's prescription or over the counter medication is running low.</p> <p>Tylenol can be administered by the school nurse if parents have signed a release form and if the child is not running a fever. Whenever a child is running a fever (a temperature of 100.4 degrees or more) parents are contacted and expected to pick up their child. Students must remain home until they are symptom-free (from fever, diarrhea, and vomiting) for 24 hours.</p> <p>If your child is experiencing COVID-like symptoms, please keep him/her home from school. All children experiencing these symptoms at school will be sent home through the nurse's office. It is an expectation that you are checking your child's temperature every day before sending him/her to school. They must stay home if they have a fever of 100.4 degrees or are experiencing any other COVID-like symptoms.</p>
<p>PTCO</p>	<p>The Parent Teacher Community Organization (PTCO) meets every other month. The purpose of the PTCO is to promote positive relationships between parents, staff and students. They also initiate fundraisers and school community events. Please get involved in our Buffalo Trail PTCO! You can contact the PTCO at: btptco@gmail.com. Until further notice, all PTCO meetings will be held virtually.</p>
<p>Parties & Celebrations</p>	<p>Buffalo Trail does not host parties at school. Grade levels may choose to have celebrations tied to instruction or curriculum, but we will not be able to welcome visitors until further notice. We will assess current recommendations from health authorities to determine if and how we can resume celebrations this year.</p>

	<p>In the interest of health and safety, students will no longer be able to share any form of birthday treats or trinkets with their classmates. Please do not send them to school.</p>
<p>Payments</p>	<p>Invitations to parties are not to be distributed at school, unless all members of the students' class are invited. Invitations will need to be handed out outside of school hours. By law and District policy, we are unable to provide parents with names, addresses, or phone numbers without prior permission.</p> <p>Moving forward, Cherry Creek Schools will no longer be accepting cash/checks as forms of payment for purchases other than lunch. Instead, we will be utilizing an online payment system called RevTrak which can be accessed at https://cherrycreek.revtrak.net/.</p>
<p>Registration/Student Check-In</p>	<p>Cherry Creek Students must be enrolled using the online check-in process each year. Visit the website my.cherrycreekschools.org to register. This website can also be used to update families' contact information (phone numbers, email, emergency contacts, etc.) throughout the year. Any address changes that occur mid-year will need to be updated by a parent/legal guardian as soon as possible through the district Admissions Office. This step allows for consistent communication in the case of an emergency.</p>
<p>School Communication</p>	<p>As a reminder, only those individuals listed as emergency contacts will be permitted to pick up your child from school. If you plan on having someone other than a parent/guardian pick up your child (babysitter, grandparent, friend), please list that person as an emergency contact.</p>
	<p>Buffalo Trail students bring home a "Thursday Folder" each week in which you can find important information about school events, classroom news and district information. Teachers are expected to communicate with parents/guardians on a regular and frequent basis about instructional programming and student progress. Classroom teachers send a minimum of one formal newsletter home each month. Many teachers send their newsletters out via email. If you'd prefer paper copies, please alert your child's classroom teacher. A school newsletter will be published on the last working Thursday of each month.</p>

<p>School Pictures</p>	<p>School pictures are scheduled for the Fall and Spring. Parents may choose to purchase individual prints and/or a class composite. Individual student pictures will be part of the school yearbook.</p>
<p>Safety and Security</p>	<p>Throughout the year, students will learn about and practice our safety expectations. At Buffalo Trail, we focus on three areas: Be Safe, Be Respectful, and Be Responsible. Our expectations matrix is listed at the end of this handbook for your reference.</p> <p>To protect the health and safety of students and staff, we are unable to welcome visitors into our school and classrooms at this time. We do recognize that a parent/guardian may need to come into the school building for a special circumstance (early pick-up, dropping off an essential item, etc.). If you must make an essential visit, we require everyone entering the building during the day to wear a mask, use the front door, physically distance on a marked floor dot, and wait until they are called up to the office to check in. The office will have plexiglass shields. All doors are kept locked during the school day.</p> <p>The Raptor ID system is used in all CCSD schools. Raptor is a visitor registration system that scans a driver's license and/or state ID and checks the information against the National Sex Offender database. If no match is found, the system will print a visitor's sticker with a picture identifying them as an approved visitor. Raptor only scans the visitor's name, date of birth and photo for comparison purposes. No other personal identifying information is saved.</p> <p>We will not be holding any visitor events until further notice. If we are able to safely return to scheduling special events this year, teachers will send an RSVP to families.</p> <p>If you have questions, please call the school or our Director of Safety and Security at 720-554-4489.</p>
<p>Snacks</p>	<p>Teachers may determine a time for snacks depending upon student need and daily schedule. Students may choose to bring a snack to eat at the time determined by the teacher. In order to promote healthy eating habits, snacks are encouraged to be nutritious foods</p>

	<p>(granola bars, fruits, veggies, cereal, etc.). “Sweets” such as cookies, candy, chips, and cake should be saved for dessert at lunchtime. Snacks do not include beverages or foods that need to be heated in the microwave. To maintain our building, students are only permitted to bring clear beverages into the classroom in water bottles. Our classrooms are considered “Allergy Aware” classrooms. Due to the number of food allergies across our school, students may not share their lunches or snacks with others.</p>
<p>Technology and School Device Use</p>	<p>Students are expected to follow the school’s technology care and handling procedures. We have a limited number of devices and proper care will help to ensure the longevity of our resources. Appropriate action will be taken in the event of any intentional or preventable damage.</p>
<p>Volunteers and Visitors</p>	<p>To protect the health and safety of our students and staff, we are unable to welcome volunteers or visitors into our school building until further notice.</p> <p>If you are dropping something off for your student, please follow our new procedures. Ring the doorbell and state your name and business. Enter through the first door. Before entering the second set of doors, there is a cart on your left hand side. Please use an unused pen and label your item with a sticky note. Place the sticky note on the item and put it on the second shelf of the cart. Place the used pen in the appropriate container and exit. We will ensure your student receives your delivery.</p>
<p>Weather</p>	<p>Our normal school day can be affected by the weather. School closures and delays are made with student safety foremost in mind. In the event of inclement weather or other circumstances, school may be canceled for the day. All school cancellation decisions are made by the central administration of the school district. A decision may be made to close the entire district or just the specific geographic areas that are affected. Announcements are made on television, radio stations, the district website, and the district weather hotline (720-554-4701). Families may also receive an automated phone call from the district via “Connect Ed.” It is CRUCIAL that families keep their phone numbers up-to-date (through my.cherrycreekschools.org) in order to receive these</p>

important messages.

- Delayed Start - A delayed start means that school will start one hour later than usual. The school buses run 1 hour later and all students should arrive at school 1 hour later than usual. For Buffalo Trail, this means school starts at 9:00 AM. All before school events except Buff Club will be canceled when there is a delayed start. Breakfast will be served in the classroom at 9AM.
- Early Dismissal - On occasion it is necessary to dismiss school early. The decision to dismiss early is made by the District using the same procedures as a snow day or delayed start. In this event, students will only be dismissed to their parent/guardian or another person listed as an emergency contact. Please be sure to include all adults you may want to have pick your child up from school as emergency contacts in your my.cherrycreekschools.org parent portal.
- Delayed Dismissal – In the event of unsafe weather conditions at Buffalo Trail (tornado warning, lightning, etc.) the principal or designee may decide to delay dismissal. This is not something we can plan in advance – often the decision is made 10 – 20 minutes before school ends. In this event, students will remain inside until the unsafe conditions have cleared. Parents may choose to sign their student out from the assigned grade level doors from a staff member.
 - K – Kindergarten mobile 1 & 3 doors
 - 1st – Main doors at front of building (#1)
 - 2nd – Doors between green/red pods (#10)
 - 3rd – Playground doors (#9)
 - 4th – Bus loop doors (#8)
 - 5th – Foothills pod doors on front of building (#2)

Students will only be dismissed to a parent or a person listed as an emergency contact on their online registration form. In the event that we are under a Tornado Warning, all students, staff and visitors to Buffalo Trail will be in their designated “Safe Area/Shelter-In-Place”. This means that the school staff will not be able to answer the door and may have limited capabilities to answer incoming phone calls. Students will not be released until the Tornado Warning expires.

Book Board Policies

Section A. Foundations/Basic Commitment

Title Tobacco-Free Schools

Number ADC

Status Active

Adopted July 1, 1992

Last Revised September 11, 2018

The Board of Education recognizes that the school district, as an educational organization, has a responsibility to provide a school and work environment conducive to good health, and should provide both effective programs and a positive example to students concerning the facts and problems related to tobacco use.

To promote the general health, welfare and well-being of students and staff, smoking, chewing, or any other use of any tobacco products by staff, students and members of the public is banned from all school property. Possession of any tobacco product by students is also prohibited on school property, on school vehicles, or at a school sanctioned activity or event.

For purposes of this policy, the following definitions apply:

1. "School property" means all property owned, leased, rented or otherwise used or contracted for by the District including but not limited to the following:
 - a. All indoor facilities and interior portions of any building or other structure used for children under the age of 18 for instruction, educational or library services, routine health care, daycare or early childhood development services, as well as for administration, support services, maintenance or storage.
 - b. All school grounds over which the District exercises control including areas surrounding any building, playgrounds, athletic fields, recreation areas and parking areas.
 - c. All vehicles used by the District for transporting students, staff, visitors or other persons.
 - d. At a school sanctioned activity or event.
2. "Tobacco product" means
 - a. Any product that contains nicotine or tobacco or is derived from tobacco and is intended to be ingested or inhaled by or applied to the skin of an individual, including but not limited to cigarettes, cigars, pipe tobacco, snuff, chewing tobacco; and
 - b. Any electronic device that can be used to deliver nicotine to the person inhaling from the device, including but not limited to an electronic cigarette, vape pen, cigar, cigarillo or pipe.
 - c. "Tobacco product" does not include any product that has been approved by the appropriate federal agency as a tobacco use cessation product.
3. "Use" means lighting, chewing, smoking ingesting or application of any tobacco product.

Signs will be posted on all school property to notify the public that smoking or other use of tobacco products is prohibited in accordance with state law and District policy. This policy will be published in employee and student handbooks.

Information concerning these restrictions shall be provided to groups making arrangements to use the buildings and grounds for evening meetings.

Revised 8/24/2020

Any member of the general public considered by the superintendent or designee to be in violation of this policy will be instructed to leave school district property. Employees found to be in violation of this policy will be subject to appropriate disciplinary action.

Disciplinary measures for students who violate this policy will include in-house detention, revocation of privileges and exclusion from extracurricular activities and/or suspension from school. In accordance with state law, no student will be expelled solely for tobacco use.
