Save The Date!

The Cherry Creek School District is excited to welcome

Lynn Riemer

Lynn is the Founder and President of 'Act on Drugs', an organization devoted to providing drug education programs that encourage new & healthy lifestyles [www.actondrugs.org]. She is also the co-author of 'The Methamphetamine Crisis: Strategies to Save Addicts, Families, and Communities.'

September 25th, 2019

When: 6:30 PM -8:30 PM

Where: Eaglecrest High School Theatre

Knowledge is a Powerful Tool

During this presentation, parents and students will learn powerful information about common and uncommon drugs as well as other abused substances. With riveting energy & abundant expertise, Lynn will share how youth are acquiring, storing and using these drugs.
