A Letter from Rachel Rubio, Principal

Dear Families,

Welcome to Summit Elementary and to Kindergarten! This is the beginning of an exciting journey for children and families. The partnership that exists between Summit families and our staff is exceptionally strong and we hope to continue this tradition as your child begins school.

We believe the most significant variable in the classroom that we can provide is a highly talented, knowledgeable and caring teacher. I have no doubt you will see that each adult who comes into contact with your children wants the very best for them.

Please take the time between now and when school begins to share your enthusiasm for school...for learning...for making new friends. You are the primary role model for your children and they will reflect your attitudes toward their education.

We look forward to meeting you and we especially look forward to getting to know your kindergartener! If you have any questions, please call us at 720-886-6400.

Welcome to Summit!!

Rachel Rubio
Principal

Things You Can Do To Help Prepare Your Child For Kindergarten

Colors/Shapes: Naming and recognizing colors/shapes. Use color/words in conversations. Point out colors/shapes (circle, square, rectangle, and triangle) in books and pictures. Identify colors and shapes in real world situations.

Alphabet: Recognizing some/all uppercase and lowercase letters, writing some/all uppercase and lowercase letters. Writing first and last name in appropriate upper/lowercase letters.

Counting: Orally counting 1-30 or higher, practice counting objects.

Numbers: Recognizing and writing numbers 0-20.

Reading and Telling Stories: Read out loud daily to your child. Ask them questions about the story you are reading, such as, what happened first, what happened next, what happened last.

Please have your child practice tying their own shoes and zipping their own coats.

Thank you.
