Dear Sagebrush Families,

Welcome to Sagebrush Elementary School. We are glad that you will be a member of our wonderful community. A lot in our world has changed since we were all back together in the building last March 12th. This year, we will be flexible and resilient as we work together to meet the needs of all of our students.

We are going to ask students to stay healthy this year by following the 3 Ws.

- Wear a mask
- Wash your hands
- Watch your distance

Please start practicing with your child to wear a mask over their nose and mouth now. This will be important as we navigate through this year. Students and staff will be required to wear masks throughout the day unless they are eating or at recess.

At Sagebrush, we will continue to hold our students and staff to our P.A.W.S. expectations. PAWS stands for:

*Pride

*Attitude

*Working Hard

*Safety

We reward students for demonstrating these expectations in all areas of the school in order to build a caring community and positive student culture.

This is bound to be another year of surprises and opportunities to learn. Some things will definitely look different for us, but one thing that will not change is our **Dedication to Excellence** for all students. In addition to focusing on the academic needs of all, we want to have an inclusive school environment in which every student, regardless of gender, race, strength or need, feels he or she belongs and can make a positive impact to our school community. I look forward to partnering with you to make this an exciting and successful year for our students. Thank you in advance for your support and commitment. If you have any questions, please do not hesitate to contact me at 720-886-8300 or at cpowell13@cherrycreekschool.org. As more information becomes available, I will continue to share with you prior to the first day of school.

Sincerely,

Christopher Powell

Principal
