

Random Acts of Kindness Week

February 7th - 11th

We're throwing kindness around Belleview like confetti!

Throughout the week of February 7th, students and faculty will focus on the importance of being kind. Teachers may include kindness activities and games in their classrooms, give kindness writing assignments, encourage books about kindness, or assign kindness homework.

Appreciation Station

An Appreciation Station will be located near the front office during the week for students to drop off thank you notes for teachers, librarians, paras, the building engineer, front office staff, bus drivers, crossing guards, TAs, and any other adult they would like to thank. Students are encouraged to place a new card/picture each day in the Appreciation Station. Homemade notecards and pictures are terrific; sample cards are located on the back of this flyer and can be cut out, filled in, and brought to school as well.

We hope your student participates in Kindness Week and throws kindness around like confetti!
