Getting Ready for Kindergarten

Please give your child a wonderful head start to kindergarten by using the following list of skills to get ready. Keep in mind that all of these skills do not need to be mastered before your child begins kindergarten.

- Use the bathroom independently including practice with zippers, buttons, belts, etc.
- Independently dress in coats/jackets/shoes.
- Listen and follow simple directions.
- Write first name with only the first letter capitalized.
- Identify colors and basic shapes.
- Practice cutting on the lines and coloring within the lines.
- Hold a pencil correctly in tripod grasp (not fist grasp)
- Identify upper and lower case letters and the sound each letter makes.
- Identify numbers up to 10 and count 10 objects correctly.
- Practice simple book handling skills (turning pages in a book).
- Listen to a story, then ask and answer questions.
